## **VQHA Membership Information:**

To ensure all members who participate in VQHA/AQHA shows receive respective points, the VQHA Board is requesting registration for membership by the first of February or at least 1 month prior to the first show the member plans to attend.

It is not the responsibility of Show Managers and/or Staff to collect and forward Membership Applications and dues to the VQHA Membership Director.

Several memberships have been lost or unaccounted for and we have had to take people at their word.

By proclamation of the VQHA Board, there will be no retro-activation of points - unless there is a clerical error on the part of the Membership Director.

State points are accumulated toward year-end awards from date of membership.  
The official membership start date will be the postmark date on mailed items.

**Membership card:** will be mailed to each person within 30 days of receipt of this application and payment.
